

Cross-Cultural Mental Health Roundtable

Hosted by The Global
Switchboard

First Wednesdays | 12p - 1p

A monthly meeting for networking, resource-sharing, and collaboration with a goal of increasing culturally relevant mental health supports in the Pittsburgh area

All are welcome. Please join us if you are:

- a therapist interested in working with clients from cultures other than your own or people or for whom English is not their preferred language
- a service provider seeking MH resources for a multicultural patient / client population
- a community member looking for resources or opportunities to collaborate on MH projects

Join our email list for the meeting link.
This is a drop-in group, but we encourage
you to sign up ahead if possible:
